Subject: Thank You —Flutter Developer Interview

Dear Ms. Rao,

Thank you for taking the time to meet with me on 18 June to discuss the Flutter Developer role at Brightpath Technologies. I really enjoyed our conversation and appreciated learning more about flutter.

Our discussion only reinforced my enthusiasm for the role. I believe my hands-on experience building apps using dart, along with the projects I've shipped during my training, align well with the challenges your team is tackling — and I'd welcome the chance to contribute to that work.

Please let me know if there's any further information I can provide. I look forward to hearing from you about next steps.

Warm regards,

Mrugakshi Kotak
